### **Important Captain's Meeting Information**

The captain's meeting will be held on February 4, 2012, at the Stone Center in Oxford **at 2:00 p.m.** As always, this meeting is **MANDATORY**. All teams must have a captain (or a representative for your team) present. Please note that the meeting will be in the afternoon rather than the usual morning time.

Lindsey Sartain will be there to go over some important information regarding the Age Restructuring which will take place in 2013 as well as some new TennisLink functions that are great tools for captains and players.

If you are not a captain, but are interested in learning more about the Age Restructuring and TennisLink functions, we are going to open up the first part of the meeting to anyone who would like to attend. So, please come join us if you would like.
